**REACHING THE VILLAGES
OF FRANCE & BEYOND!
SPRING 2023 UPDATE**

LOOKING AHEAD: HARVESTING MORE HARVESTERS!

This past fall and winter have been a time of seeing God's faithfulness as we transitioned to a new French village called Hésingue, France and into a new season of ministry here.

With your help and by God's grace we were able to continue to encourage the church in Douvaine through prayer and visits and by sowing a vehicle into their work.

We are looking ahead into this next season with great anticipation! Our renewed vision is to supply a proven collection of simplified resources to transform English and French communities worldwide through partners, purpose, and possibilities.

Thanks so much for continuing to help us harvest harvesters in the villages of France, the French speaking people, and beyond!

BRIAN & CARA'S WINTER & SPRING TRIPS

Earlier this year, Brian and Cara were able to visit the states for some travel and ministry. In addition, they were able to attend Winter Bible Seminar. It's always a great time when visiting old friends and making new ones!

In February, Cara was able to present a copy of her book *Simply Soul Winning* to some of the very first people who sowed into her life concerning evangelism and missions. What an honor this was!

Brian also had a great trip in April. What a privilege and joy it was visiting partner churches, making new friends in Georgia, Alabama, and North Carolina, and ministering the transforming Word of God!

SUMMER/FALL 2023

The Salleys are coming to a state near you! This summer and fall we will be travelling throughout the United States. Let us know if you would like us to visit you, your church, or group before we return to France with our new visas!

One tool we are desiring for this trip is a motor home - if you or anyone you know has one for a good deal, we'd love to chat!

MORE SIMPLIFIED RESOURCES

Stay tuned - new "Simplified ___" resources are coming soon! Also, if you haven't had a chance to tune in yet, Brian's new podcast is airing on the Salley Ministries YouTube channel! youtube.com/@salleyministries5734

CURRENT PRAYER REQUESTS:

- For the nation of France and more laborers for the harvest
- For our next steps in ministry
- For collaborative partnerships in France and French speaking nations
- To harvest many more harvesters!
